## THE BEE BLUE PROJECT

UN Headquarters in Vienna welcomes honey and wild bees to celebrate World Environment Day and the Launching of the UN Decade on Ecosystems Restoration (2021 – 2030)

**Bees are:**

- pollinators
- ~ 10 species of honey bees
- 30,000 species of wild bees
- wonderful!

**Bees need:**

- no pesticides
- many different, natural flowers
- a long flowering season
- natural soil and habitats
