United Nations Women's Guild Vienna

Charity Projects Selected for Funding in 2026

Total Grant Amount: €112,624
Total Beneficiaries: 7,858 children and 4,494 women

The UNWG raises all of the charity funds through members' activities, the Annual International Charity Bazaar and major donors. Projects funded address critical needs in education, health, renewable energy, sanitation and child protection. The Charity Review Committee reviewed applications submitted from multiple countries and regions. Following evaluation and due diligence, a select group of projects were recommended for funding by the UNWG. Approved for funding were 17 projects from 13 countries in four different regions of the world.
