**NOTE:** Projects that were approved but sponsorship was withdrawn.

Three projects were taken out of the approved list in June 2020. These three projects will not receive funding due to logistics and money transfer issues. Projects in Benin and South Sudan approved in earlier list have withdrawn due to money transfer issues.

IAEA-PACT in the Co-Action group withdrew from application due to closing of field offices because of corona virus and information was not accessible to put together a project proposal.

The funds allocated to these projects will be carried over to 2021.
